- Board Members must abide by the Code of Ethical Conduct established by FSPHP to promote and maintain high standards of service and personal conduct in all engagements representing the members and organization.

FSPHP Public Director added qualifications:

The Public Director shall be an individual who is not affiliated with a PHP or eligible for any category of FSPHP membership. The Public Director will have experience and knowledge of not-for-profit associations and/or past external board service, is aware of and aligned with the values of FSPHP consistent with all Board Criteria, and who will bring global vision, public accountability, and transparency to board deliberations.

Health Equity Statement (Adopted 2022)

The FSPHP adopts the Healthy People 2020 definition of health equity as, "The attainment of the highest level of health for all people. Achieving health equity requires valuing everyone equally with focused and ongoing societal efforts to address avoidable inequalities, historical and contemporary injustices, and the elimination of health and health care disparities."

It is the policy of the FSPHP to engage in an active and ongoing process that affirms human diversity in its many forms, encompassing but not limited to ethnicity, race, gender, sexual orientation and identification, age, economic circumstance, class, disability, geography, and philosophy. FSPHP seeks diversity to ensure that a range of perspectives, opinions, and experiences are recognized and acted upon in achieving the association's mission.

At FSPHP, a diverse, inclusive, and equitable workplace is one where all employees, volunteers, and members, whatever their human diversity, feel valued and respected. We are committed to a nondiscriminatory approach and provide equal opportunity for membership and employment and advancement in all of our positions. We respect and value diverse life experiences and heritages and ensure that all voices are valued and heard.

We are committed to modeling diversity and inclusion for the entire health care profession, and to maintaining an inclusive environment with equitable treatment for all.
