EXHIBITOR ATTENDEES INVITED TO ALL EDUCATION SESSIONS

The field of physician and professional health is rapidly evolving. Today, PHPs serve an increasingly diverse healthcare workforce, addressing the complex and changing needs of physicians and other healthcare professionals.

As the healthcare environment continues to change, PHPs must evolve alongside it. Emerging challenges in mental health, substance use, burnout, neurodivergence, toxicology, technology, regulation, and workforce sustainability require innovative, evidence-based, and collaborative approaches. Assuring the health of healthcare professionals requires programs to think beyond traditional models, strengthen partnerships, expand resources and services, and continuously evaluate and improve their effectiveness.

The FSPHP 2027 Annual Education Conference will explore how PHPs can lead the way in navigating these challenges, advancing clinical and operational practices, supporting recovery and safe return to practice, preserving the healthcare workforce, and ultimately promoting both professional well-being and patient safety.

Up to 14.5 Hours of Education Credits for Physicians, Nurses, Pharmacists, Psychologists, Social Workers, and Dentists.

This activity has been preapproved for the following accreditations:

- *AMA PRA Category 1 Credit*™ for Physicians
- ANCC CE for Nurses
- ACPE CE for Pharmacists
- APA CE for Psychologists
- ASWB ACE for Social Workers
- ADA CERP CE for Dentists

OBJECTIVES

The FSPHP 2027 Annual Education Conference will focus on the following education objectives:

- Evaluate emerging evidence and best practices in the assessment, treatment, monitoring, recovery support, and safe practice of healthcare professionals in the care of PHPs, and formulate protocols to ensure clinical safety and workforce preservation.
- Apply innovative administration and compassionate case management strategies to strengthen and enhance participant engagement and recovery outcomes, while ensuring program quality and long-term sustainability.
- Integrate advances in clinical assessment, toxicology, behavioral health, neuropsychological evaluation, substance use trends, and design program strategies to protect participant privacy while balancing professional accountability, regulatory standards, and patient safety.
- Analyze evolving legal, regulatory, ethical, and confidentiality considerations impacting PHPs and implement approaches that balance participant privacy, professional accountability, workforce preservation, and patient safety.
- Lead collaborative initiatives that strengthen partnerships among PHPs, treatment providers, healthcare organizations, licensing boards, regulatory agencies, wellness programs, and other stakeholders to reduce stigma, promote early intervention, advance clinician well-being, and shape the future of professional health.

The FSPHP Annual Education Conference is NOT affiliated with a housing company. Please be careful if approached by any company or service claiming to be an official housing provider for FSPHP. FSPHP offers the guaranteed lowest rate available. In the past, FSPHP has been made aware of travel companies that are entirely fraudulent, misleading exhibitors and attendees with false information. Please note that you can ONLY book a room in the FSPHP block by using the booking information on the FSPHP Conference webpage. If you are contacted by a housing company trying to sell hotel rooms for this conference, please contact FSPHP at jhernandez@fsphp.org.

GENERAL EXHIBITOR AGREEMENT INFORMATION

Securing an Exhibit Booth/Sponsor Level

Exhibit Booth/Sponsor Levels are confirmed and secured once the completed FSPHP 2027 Exhibitor Registration Form has been received. Payment is due within 30 days of receiving your completed FSPHP 2027 Exhibit Booth Reservation submission to secure your commitment to your selected Exhibitor Level. **Please be advised that your staff will still need to register as attendees once attendee registration opens in December.**

Indemnification

The exhibitor agrees to indemnify and hold harmless the FSPHP, its officers, directors, agents, and employees from any and all claims of liability of third parties arising out of or related to the acts of omissions of the exhibitor in connection with the exhibitor's participation in the FSPHP 2027 Annual Education Conference.

The exhibitor assumes entire responsibility against all claims, losses and damages to persons or property, or caused by exhibitor's installations, removal, maintenance, occupancy or use of the exhibition premises or a part thereof, excluding any such liability caused by the sole negligence of the hotel, its employees and agents.

Exhibiting Limitations

The FSPHP reserves the right to stop or remove from the conference any exhibitor, or its representative, performing an act or practice when in the opinion of conference management is objectionable or detracts from the dignity of the conference or is unethical to the business purpose of the conference. Conference management reserves the right to refuse admittance of exhibits or materials to the conference until all dues and fees are paid in full. No exhibitor shall hold any social event to which attendees are invited or entice attendees off the conference floor during official conference hours.

Booth Installation and Removal

The FSPHP reserves the right to modify scheduled exhibit installation and dismantling times as necessary. All exhibits must be fully installed and ready for display before the exhibition opens. Exhibitors may not dismantle, remove, or repack any portion of their exhibit until the conference has officially concluded.

Staffing of Booths

As a courtesy to our attendees, all exhibits must be open on time and remain staffed each day during conference hours. Exhibitors are only required to staff their booths during dedicated hours. Staffing is optional outside of dedicated hours—the venue urges exhibitor representatives to exercise precautions to discourage theft.

Exhibit personnel may not enter, photograph, or video another exhibitor's booth without obtaining permission. This is out of respect for the rights of other vendors to conduct business during the exhibit hours without interference or improper intervention. The FSPHP, its representatives, and its staff shall have free access to any exhibit at all times in the performance of their assigned duties. It is against FSPHP's policy to "share" booth space. Each company that desires to conduct business at the FSPHP Annual Education Conference must be an exhibitor or sponsor at the conference.

Exhibitor Attendee Passes

Each exhibitor receives a designated number of complimentary attendee registrations that is determined by the Exhibit Booth Level (see page 6). These passes are an "all-access pass" and are to be used for both booth personnel and conference attendance. These passes are not in addition to booth personnel passes. Additional registration passes are available at a discounted rate.

Damage to Hotel Property

Exhibitors will be held responsible for any damage done to the venue by them, their employees, or their agents. No nails, tacks, or screws may be driven into the floor, wall, or woodwork of the building.

Insurance

In accordance with the FSPHP's General Liability Coverage Policy, it is required that exhibitors submit a certificate of Commercial General Liability Coverage, naming Federation of State Physician Health Programs as an additional insured on your organization's policy, written with a single limit of $1,000,000 per each occurrence and an aggregate limit of at least $2,000,000. This is something that your insurance provider can typically provide to you.

Your Certificate of Insurance in naming FSPHP as an additional insured should read:

RE: FSPHP 2027 Annual Education Conference, Oklahoma City Convention Center, April 14–16, 2027

Federation of State Physician Health Programs (FSPHP) is listed as an Additional Insured on the General Liability with regard to the above-referenced meeting.

Federation of State Physician Health Programs (FSPHP)
668 Main Street, Suite 8, #295, Wilmington, MA 01887

Please email your Certificates of Insurance as specified above to Jennifer Hernandez at jhernandez@fsphp.org **by March 1, 2027**.

Loss or Damage

All property of the exhibitor remains under the exhibitor's custody and control while in transit to and from the hotel, during installation and removal, and while it is in the confines of the venue.

Neither FSPHP, the venue, nor any other of the officers, directors, agents or employees of any of the same are responsible for the safety of the exhibitor's property from theft, damage by fire, accident, vandalism or any other causes, and the exhibitor expressly waives and releases any claim or demand against any of them by reason of any damage to or loss of any property, except where the damage or loss is due to gross negligence or willful misconduct of the person or entities mentioned above, their agents or employees.
