### FSPHP Issues Press Release "Applauding WisMed's Leadership Toward the Development of a Wisconsin Healthcare Professional Services Program"

FSPHP issued a press release on June 3, recognizing the Wisconsin Medical Society's (WisMed) commitment to establish a Wisconsin Healthcare Professional Services Program (WIHPSP). Guided by Jim Lorence, WisMed has led a research-driven, collaborative effort to align Wisconsin with national Physician Health Program (PHP) standards, including the FSPHP Performance Enhancement and Effectiveness (PEER™) Review.

## Navigating FSPHP E-Lists: Features, Access & Best Practices

The FSPHP E-lists are among the most valued and frequently utilized membership benefits, providing a dynamic platform for communication and collaboration.

Explore the key features of each FSPHP E-list, understand access requirements, and discover helpful tips for maximizing their benefits.

### FSPHP-ALL-MEMBERS E-list

**Available to all FSPHP members.**

This group facilitates the exchange of valuable insights on physician and professional health, including resources for those not affiliated with a PHP. Members share articles, conference details, research studies, and industry news.

### STATE-PHP-MEMBERS E-list:

**Accessible to State-Voting, Associate, International, and Honorary members.**

This group is best used for sharing information and expertise related to PHP guidelines, best practices, and the essential work of PHPs, fostering informed discussions and collaboration.

### PHP PHYSICIAN SUICIDE PREVENTION E-List\*:

**Accessible to State-Voting, Associate, International, and Honorary members.**

This group connects PHP members engaged with or interested in the American Foundation for Suicide Prevention (AFSP) Interactive Screening Program (ISP), fostering collaboration, idea exchange, and strategic discussions to enhance program effectiveness in supporting healthcare professionals.

\*Email [ssavage@fshp.org](mailto:ssavage@fshp.org) to be added to this E-list.

### HELPFUL TIPS:

- Always include your name, organization, and email address in every post.
- Use a clear subject line that accurately reflects your message content.
- Replying to an E-list message sends your response to the **entire group**, not just the sender.
- Do not forward E-list messages externally without explicit permission from the FSPHP member to uphold

privacy and trust.
