FEDERATION OF STATE PHYSICIAN HEALTH PROGRAMS (FSPHP) CONFERS FSPHP EVALUATION AND TREATMENT ACCREDITATION (FSPHP-ETA™) UPON CSMN OPERATIONS LLC, DBA ALL POINTS NORTH LODGE

Wilmington, MA –The Federation of State Physician Health Programs (FSPHP) is proud to announce that [CSMN Operations LLC, DBA All Points North Lodge](#), has been awarded the prestigious [FSPHP-ETA™ Accreditation](#), recognizing its commitment to excellence in evaluation and treatment services for medical trainees, physicians, and other healthcare workers in safety-sensitive occupational roles. This three-year accreditation affirms national standards in healthcare professional care through a valid, reliable, and rational assessment.

"Achieving FSPHP-ETA™ Accreditation reflects our deep commitment to restoring and sustaining the health, integrity, and careers of healthcare professionals. At All Points North, our medical and clinical teams approach every evaluation and treatment plan with rigor, compassion, and accountability. We understand that these professionals dedicate their lives to caring for others, and when they require support, they deserve the highest standard of care. We are proud to partner with FSPHP in advancing excellence across healthcare professional programs nationwide." - Philip Hemphill, PhD

[CSMN Operations LLC, DBA All Points North Lodge](#), is among the first treatment centers nationally to achieve FSPHP-ETA™ accreditation, demonstrating full compliance with standards.

Treatment centers participate in FSPHP-ETA to:

- Distinguish qualified entities that evaluate and treat healthcare workers in safety-sensitive roles.
- Enhance the effectiveness of evaluation and treatment processes to optimize outcomes.
- Demonstrate to the public a program's dedication to high standards of quality care for safety-sensitive healthcare professionals.
- Promote the sharing of best practices to enhance transparency, accountability, consistency, and excellence while identifying opportunities for improvement.

This milestone comes at a pivotal time when the need for specialized, high-quality healthcare professional evaluation and treatment services is greater than ever.

About FSPHP: The FSPHP evolved over 30 years ago from initiatives taken by the American Medical Association, the Federation of State Medical Boards, and state medical societies. PHPs serve as a safe, confidential resource for the profession, focusing on outreach, education, and health monitoring for physicians at risk for impairment. Today, nearly every state has developed a PHP that operates within the parameters of state regulation and legislation.

The FSPHP is a non-profit 501c3 professional membership association with elected officers and an elected [Board of Directors](#). FSPHP has the largest membership in history with 50 [State Physician Health Program Members](#), and **315** total members of the association.
