State Medical Boards and PHPs Next Steps to Improve Physician Wellness
Arthur S. Hengerer, MD, Thomas Mansfield, JD, and Doris Gundersen, MD

Wellness and Resilience continue to remain at the forefront for physicians as they strive for control of the increase in burnout in their lives. It is now evident that 90% of this problem is system generated. One disruptive area in the system is the regulators and the potential role they play in the stigma that prevents seeking care. The presentation will discuss steps being taken from multiple workgroup meetings involving state boards, state medical societies and PHP to lessen their negative effect. Included is how the PHPs are working with the other organizations to impact the process that is developing.

12:30 pm **Exhibitor Drawings and Closing Remarks** **Brazos Ballroom, Mezzanine Level**
Linda Bresnahan, MS, Doris Gundersen, MD and Martha E. Brown, MD

ACCREDITATION STATEMENT:

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education through the joint providership of the Florida Medical Association and the Federation of State Physician Health Programs. The Florida Medical Association is accredited by the ACCME to provide continuing medical education for physicians. The Florida Medical Association designates this live activity for a maximum of **15.25 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure of the Florida Medical Association

It is the policy of the Florida Medical Association (FMA) to ensure independence, objectivity and scientific rigor in all approved CME content. CME faculty must present evidence-based data, clarify off-label product use and disclose all relevant financial relationships to the audience. The ideas and opinions expressed during jointly provided events do not necessarily reflect those of the FMA, and the FMA's approval of course content for *AMA PRA Category 1 Credits™* does not constitute an endorsement of the ideas, positions or statements contained therein. Every effort has been made to ensure that all information provided by the joint provider is accurate and current. However, FMA does not accept responsibility for errors or omissions and accepts no liability for any resulting loss or damage. Attendees agree to participate in this CME activity with full knowledge and awareness that they waive any claim they may have against the FMA for injury or other damage that may result in any way from their participation in this activity.
