Exhibitor Session
Annual Business Member Meeting
Social Event
- Saturday: General and Breakout Sessions

Attendee Registration Packet

Watch for updates at www.fsphp.org. For information call: (978) 347-0600 or email jrobarge@fsphp.org.

PLAN TO ATTEND THIS YEAR'S EVENT:

The FSPHP would like to invite you to join others in the field who have made a decision to attend the 2018 Federation of State Physician Health Program's (FSPHP) Annual Education Conference: *Physician and Professional Health: Enhancing an Effective Model*. Our annual conference is attended by over 200 state physician health program administrators, care providers, and allied health professionals dedicated to the purposes of the FSPHP and its member state programs. This is a unique opportunity to network with professionals dedicated to issues of physician well-being, including the treatment of substance use disorders and mental health illness facing physicians and other licensed health-care professionals in the United States, Canada, and other parts of the world.

The FSPHP is a nonprofit corporation whose purpose is to provide a forum for education and exchange of information among state physician health programs; to develop common objectives and goals; to develop guidelines; to enhance awareness of issues related to physician health and impairment; to provide advocacy for physicians and their health issues at local, state, and national levels; and to assist state programs in their quest to protect the public. Our mission is to support physician health programs in improving the health of medical professionals, thereby contributing to quality patient care.

EDUCATION SESSION OBJECTIVES:

We are pleased to introduce to you our timely educational objectives designed to address emerging issues facing the health profession:

1. Identify PHP best practices by examining successful models for client assessment, monitoring, referral to treatment, and education; program operations; funding; and use of technology.
2. Compare drug and alcohol testing methods, including the most current approaches in toxicology, to improve best practices for monitoring health-care professionals.
3. Describe current legal issues affecting the privacy of health information of physicians by comparing licensing board reporting and disclosure requirements, and examining ADA applicability to disclosure of health information for physicians.
4. Discuss legal, ethical and risk-management strategies for PHPS and apply examples that demonstrate improvement to the outreach, assessment, and the monitoring model while balancing patient safety.

WHO SHOULD ATTEND:

The program is designed for physicians of all specialties, physician assistants, attorneys, program developers, physical therapists, case managers, nurses, licensed social workers, toxicologists, scientific researchers, and clinical coordinators involved in physician health programs.

OPENING NIGHT SILENT AUCTION, Wednesday, April 25, 6:00 pm - 8:30 pm:

FSPHP will feature a Silent Auction at our Opening Night Dinner, in the Exhibitor Hall for all conference attendees and exhibitors. Proceeds will benefit the Federation of State Physician Health Programs' mission to support physician health programs in improving the health of medical professionals, thereby contributing to quality patient care. To donate an item, contact Linda Bresnahan at lbresnahan@fsphp.org. All donors and items will be recognized at the event on the item display and on our conference application available to all attendees. **Donation deadline: April 10, 2018.** *On behalf of the FSPHP, thank you for considering a donation and/or for your support through attendance at our Opening Night event and Silent Auction.*

POSTER SESSION RECEPTION, Thursday, April 26 at 5:30 pm:

Join us with Poster Session presenters on Thursday April 26 at 5:30 pm. Posters will be available for viewing all day Thursday, April 26 and Friday, April 27.

DINING WITH THE FSPHP, Friday, April 27 at 6:30 pm:

Join us out on the Embassy Terrace for *Dining with FSPHP*. A separate fee applies for this event.

Guest speaker Brian Parsley, "The Power of Influence." As professionals it's important to never forget how important influence is in our lives. The question is: How effective are we at influencing others? We will speak directly about the three most impactful influences we face on a daily basis. You will have a renewed excitement and leverage the following skills:

- How to have deeper personal connections.
- Walk away with new strategies on how to frame conversations with people in your life.
- Learn how negative, positive, and unintentional influence impacts your life daily.
- Understand a different perspective around how to create a better culture in your life both personally and professionally.

ACCREDITATION STATEMENT:

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education through the joint providership of the Florida Medical Association and the Federation of State Physician Health Programs. The Florida Medical Association is accredited by the ACCME to provide continuing medical education for physicians. The Florida Medical Association designates this live activity for a maximum of **13.75 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure of the Florida Medical Association

It is the policy of the Florida Medical Association (FMA) to ensure independence, objectivity and scientific rigor in all approved CME content. CME faculty must present evidence-based data, clarify off-label product use and disclose all relevant financial relationships to the audience. The ideas and opinions expressed during jointly provided events do not necessarily reflect those of the FMA, and the FMA's approval of course content for *AMA PRA Category 1 Credits™* does not constitute an endorsement of the ideas, positions or statements contained therein. Every effort has been made to ensure that all information provided by the joint provider is accurate and current. However, FMA does not accept responsibility for errors or omissions and accepts no liability for any resulting loss or damage. Attendees agree to participate in this CME activity with full knowledge and awareness that they waive any claim they may have against the FMA for injury or other damage that may result in any way from their participation in this activity.

REGISTRATION

REGISTRATION FEES:

The registration fee includes the meeting packet, all luncheons, breaks and opening dinner. A separate fee applies for the Friday night FSPHP dinner.
